

Protecting Those You Love

BE PREPARED FOR THE COST OF LEAVING YOUR LOVED ONES UNPROTECTED

The cost of life insurance, like lesson plans, isn't one size fits all. Your health and age can influence your rates, as well as the type of job you have and even your gender. Discover the key factors that can determine your rate at: neamb.com/discover-the-costs

6 Myths About Life Insurance for Educators

No one likes to think about life insurance. But things can happen at any time — and you don't want to leave your loved ones with your final expenses or outstanding debts. If you think this doesn't apply to you, check out these 6 common myths about why it's important to have life insurance for the people you love most at: neamb.com/insurance-myths

Yes, You Can Still Get Life Insurance When You Have a Medical Condition

If you have a medical condition, you may have the false belief that life insurance will be unavailable or too expensive for you. That is not always the case. Today, many insurance companies consider a variety of factors, including if your condition is currently controlled under medical supervision. Learn steps you can take to protect your family at: neamb.com/life-coverage
